Please phone the practice to schedule your consultation or alternatively you may schedule through our website.

If you require a longer appointment, please discuss this with the receptionist when booking your appointment.

To ensure continuity of care, we will make every effort to accommodate you with your preference of doctor .

Due to unforeseen circumstances, such as an emergency, delays can sometimes occur and your patience would be appreciated if this should happen before your appointment. *Please understand that emergencies are given priority*. We ask patients to arrive on time for their appointment so other patients are not inconvenienced.
